**SUBSTITUTE AMENDMENT AND RESPONSE TO OFFICE ACTION
IN RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Sir:

Applicants submit the following substitute amendment in response to the Notice of Non-Compliant Amendment mailed June 9, 2008, in which newly added claims are renumbered beginning with 32, and references to new claims in the remarks section are updated to reflect the renumbering. Applicant believes that this response corrects all defects. The remaining portions of the amendment and remarks are identical to the previously filed response.

REQUEST FOR CONTINUED EXAMINATION

In accordance with 37 U.S.C. §1.114, a Request For Continued Examination (RCE) is filed concurrently with this response so that the Office Action mailed is effectively made non-final. Under 37 U.S.C. §1.114, the effect of the RCE, which makes the instant Office Action non-final, is to cause examination of the instant application to remain open. Accordingly, amendments and new claims submitted herein are to be entered as a matter of right, and each claim is entitled to continued examination.

AUTHORIZATION TO DEBIT ACCOUNT

It is not believed that additional fees are required, beyond those which may otherwise be provided for in the documents accompanying this paper. However, in the event that additional fees are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. §1.136(a), and any fees required (including fees for net additions of claims) are hereby authorized to be charged to 20-0078.
